We're Recruiting!

Applications will be accepted from March 15 - 31, 2024.

No experience required!!

SPLFD does not have any full time members or shifts in station. This means you can balance family and work while still being involved in giving back to your community.

Become a Paid On-Call Firefighter!

South Pigeon Lake has begun looking for dedicated, community-based, and motivated individuals to join our team! We are a very diverse fire department that covers a large portion of Wetaskiwin County. We are committed to serving and protecting this community that we live, play, and work in. Make a difference and take on the fulfilling challenge of being a firefighter in this community. Join our team of passionate, hard working, and talented men and women!

Why us?

South Pigeon Lake is committed to this community by serving the various needs of full time/ part time residents, businesses, and other industries in our response area. With this comes the opportunity to train and learn many new skills! You will be trained and learn life skills that you can't get anywhere else!

Firefighting is a lifestyle that is hard to describe, so join us and see for yourself!
